## Millions Will Someday Disappear! Will you go with them?

In an event referred to as the rapture, what the Bible calls being "caught up" in 1 Thessalonians 4:17, believers in Jesus will be taken from this world to be with Him in heaven. As far-fetched as it may sound, this will happen without any warning. Millions of people will suddenly go missing. This disappearance will be explained away as alien related or some other deception by governments of the world and media outlets. Do not believe them! We will be in heaven with Jesus.

Millions more who thought they were Christians and all those who rejected Jesus will be left behind for what the Bible calls the tribulation, the worst time in history. You don't want to be here for this. If you haven't accepted Jesus as your Savior by placing your faith in only Him, you will be left behind. It's not too late. Call upon Jesus to be saved. Don't wait! (See the reverse side.)

Some indicators that the rapture and tribulation are rapidly approaching are: the world's push, including the U.S., toward a global economy, the rise in technology to control the masses (Revelation 13), and the unprecedented global increase in wars, disease, moral decay, lawless cities, and natural disasters. The Bible describes the end exactly this way and warns it will only get worse.

Will you be rescued before or left to face the tribulation? Call upon Jesus!
